Chinese New Year Festival

On Saturday, March 14, 2015, Wang's Martial Arts held its 13th Annual Chinese New Year & World Peace Festival at Humble Civic Center Complex in Humble, Texas. The day long event was all vegetarian and included a food drive for Haam, plus live animal adoptions.

A tribute and celebration of life and achievements of Grandmaster Victor Cheng.

Our MC for the evening, Mr. Victor Makris, warmly welcomed everyone to the festivities.

The entertainment program went on all day, with many Martial Art styles presented. There was also talent show, Arsene The Majickana, Elvis, Battle of Spartans vs. Mongols, Level One band, 2 fabulous Chinese Lion Dance with three lions music drum team, Superfoot Bill Wallace class and so much more.

There were many smiles and joyful children as the Lions performed. A Kung Fu demonstration by Wang's Martial Arts students. The evening concluded with Chinese Fashion show, featuring fans & umbrellas. WMA students, family and friends showed off lovely garments and passing the Red envelopes. Scholarships and donations were presented by Miss Houston 2015 and 2014. Once again the dinner was a great success thanks to everyone at WMA, their family and friends.

Top Ten Reasons to Buy American Made

"Buy American!" might sound like nothing more than a slogan advanced by American manufacturers to sell products made in the USA, but the truth is that there are many reasons to consider buying American-made clothing, American-made toys, and other US-manufactured goods. We've listed just a few of the benefits of buying American below:

Top Ten Reasons to Buy USA Made Products:

- 10) Foreign labor standards allow unsafe worker conditions in many countries. When you buy American you support not only American manufacturers but also American workers, safe working conditions, and child labor laws.
- 9) Jobs shipped abroad almost never return. When you buy goods made in the USA, you help keep the American economy growing.
- 8) US manufacturing processes are much cleaner for the environment than many other countries; many brands sold here are produced in countries using dangerous, heavily polluting processes. When you purchase American-made product, you know that you're helping to keep the world a little cleaner for your children.
- 7) Many countries have no minimum wage restrictions, or the minimum wage is outrageously low. When you choose products made in the USA, you contribute to the payment of an honest day's wages for an honest day's work.
- 6) The growing lack of USA ability to manufacture many products is strategically unsound. When you seek out American-made goods, you foster American independence.
- 5) The huge US trade deficit leads to massive, unsustainable borrowing from other countries. Debt isn't good for you and it isn't good for America.
- 4) Foreign product safety standards are low. For example, poisonous levels of lead are in tens of millions of toys shipped to the USA. When you buy toys and other goods made in the USA, you can be confident that American consumer protection laws and safety standards are in place to protect your family.
- 3) Lack of minimum wage, worker safety, or environmental pollution controls in many countries undermines the concept of "fair and free trade". No Western nation can ultimately compete on price with a country willing to massively exploit and pollute its own people. When you buy only American-made products, you insist on a higher standard.
- 2) Factories and money are shifting to countries not friendly to the USA or democracy. When you avoid imported goods in favor of American-made items, you help ensure that the United States doesn't find its access to vital goods impacted by political conflict.
- 1) As the US manufacturing ability fades, future generations of US citizens will be unable to find relevant jobs. Buy American and help keep your friends and neighbors-and even yourself-earning a living wage.

Help Kids Appreciate Nature

A Nature Table brings the outside world indoors.

By: Natural Vitality

Creating an appreciation for nature in our children is one way to promote future generations of environmentally friendly adults. It also helps our kids learn to enjoy the simple beauty and pleasure found in the natural world. While younger children may not be so keen on reflection, they do love to collect things. For an engaging activity that promotes a love of the outdoors for two- to eight-year-olds, consider a Nature Table. It works like this:

You will need a small, low table to place in a common area of the house, such as the living or dining room. This is your Nature Table. When you are out and about with the children, allow them to collect one or several items to bring back and place on the Nature Table. The only rule is that the objects must be natural. Kids will love finding these treasures, like rocks, leaves, sticks and so on. Allow them to play with the items on the table and rearrange them as they wish.

Here are some tips to have fun with your Nature Table:

- Create different themes for the table, such as the seasons or rocks, leaves or sticks.
- Go on a weekly Nature Table walk to find treasures.
- Cover the table with different colors of fabric for a change or to mark a change of season.
- Change the Nature Table on specific days, such as winter and summer solstice or the first day of a season, to connect your child to seasonal changes in nature.
- Place a magnifying glass on the table to inspect items close up.
