**Helping Homeless Cats & Dogs in the Kingwood Area
for over 20 Years**

Volunteers' for Animal Protection, Inc. is a non-profit, no-kill animal welfare organization that rescues and places abandoned, abused and neglected cats and dogs into permanent, loving homes.

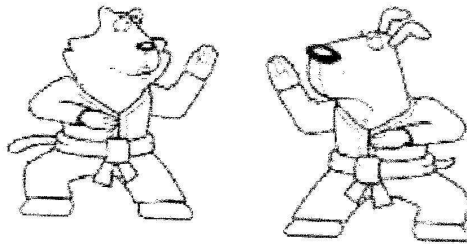

The mission of Volunteers for Animal Protection is to rescue and find forever homes for abandoned, abused, and neglected animals in Kingwood and its surrounding areas. We aid in the prevention of cruelty to animals and the relief of suffering among animals through the extension of humane education to the public. We rehabilitate homeless cats and dogs and offer them a lease on life through adoption to a loving home.

Animals ask no questions and pass no judgments.

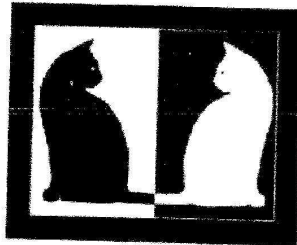

Join us in saving innocent lives by donating, volunteering, fostering, or adopting!

About the Founder

Doreen Lowery, Founder and Executive Director of Adam's Apple, an IRS 501(c) 3 Non-profit Organization.

Doreen started out by fostering dogs for VAP but ended up keeping many of them due to the low adoption rate.

In December of 2011, we decided to open an official rescue sanctuary and dedicate our lives to saving the lives of innocent animals.

We Give Loving Care for Animals

Your generosity will provide young, old, injured, sick, abused, and under socialized animals a chance to grow or heal before finding their forever homes. Through our foster care program, we have been able to save countless animals (dogs, puppies, cats, kittens, and other critters) that might otherwise have been euthanized.
